CFS DELIVERY AND TRANSPORT CHARGES

For many years Commercial Furniture Solutions has worked hard to bring our customers very reasonable transport prices on the delivery of products. This letter serves as a notice regarding the price increase that CFS plans to put into effect immediately.

This will not affect any orders or quotes already in the system.

This increase is caused by the continuing rise of fuel cost, E-tag, labour and other motor vehicle related expenses in the market today. Rest assured, we have attempted to minimise the price increase.
